Club House, General Meeting

- May 19, Saturday, 8:00 a.m.
Range at Lahontan, Set up for R.A.M.

- May 19, Saturday, 6:00 a.m.
Range at Lahontan, R.A.M. Shoot

for our one shoot of the year. It is a lot of work but it also is gratifying when participants leave saying they had a great time and lots of fun and can't wait to come back next year. We would like to maintain our reputation for putting on a memorable event. We need your help. Anything you can help with will be appreciated.

We will need people to help with: registration, parking cars, directing people to targets, selling and collecting money for drinks, selling and collecting money for raffle tickets, selling and collecting for lunches, knowledgeable people to work the computers, helping with assembling the bobble heads, picking up the raffle ticket tumblers (1 for general and 1 for special), picking up chairs and tables at the fairgrounds for setup and taking chairs and tables back after the shoot, helping setup the white boards for posting scores. There are more things to do and if you're there, it would help.

Generally, on the Saturday setup day, the club furnishes lunch. It will probably be just barbecue burgers (no pink slime allowed) and dogs with the trimmings and some kind of salad, macaroni or potato or green, and something for the sweet tooth. Nothing fancy but after a morning of hard work, you won't really care as long as it is food, right? Those that **work** that day and if there is time, can shoot the course after it is setup.

We don't have many meetings during the summer and fall so please support us during the time we will be needing help getting ready
